

# Ridgefield Park Jr./Sr. High School

Dear Alumni and Supporters,

Ridgefield Park High School Athletics needs your support. Our locker room in the Gilbert A. Gibbs Field House is in dire need of new lockers. The current lockers, which are used by various teams, are over 30 years old. It is our goal to raise the funds necessary to replace them.

We are seeking tax deductible donations from our supporters to purchase lockers. Our goal is to purchase 60 new lockers, which are made by Salsbury Industries. The lockers may be viewed at [www.lockers.com](http://www.lockers.com). (Model # 70018/Size-24" wide X 72" high X 18" deep.) The unassembled cost per locker is \$375.00; each assembled one is \$475.00.

In order to assist with the purchase of these lockers we are seeking the support of you, the Alumni, many of whom have already expressed an interest in purchasing a locker as a donation. Each locker would have your name, number, and year of graduation permanently engraved on a brass name plate and affixed to the donated locker (For those who wish to donate with another alum, please note that no more than 2 names may appear on each locker). If you are interested in donating, please fill out the bottom portion of this form and return it in person to Michael Raimondi, Tony Gonzalez, or the high school's main office. You may also submit your donation via mail (see address below). Thank you in advance for your support!

Sincerely Yours,

Tony Gonzalez
