VOL. 34 NO. 1

Ridgefield Park, N.J.

MARCH, 2017

## MESSAGE FROM THE BOARD OF COMMISSIONERS

This message is being prepared in the “DEAD OF WINTER” and we have conflicting “Groundhog” reports about how long winter will last. Even so, we hope that when the Newsletter is delivered, winter will be a memory and that we will be enjoying the early days of spring.

With this in mind — springtime is the time to “paint-up/clean-up/fix-up” — as we all know our Village is a community of older homes — many of which are over 100 years old, and the great majority well over 75 years old. Our homes and properties need our attention. Please do all you can to keep our community an attractive and welcoming place. The Village will be doing its part by “sprucing up” our parks, plazas, and public properties. Please do your part.

Bergen County in cooperation with Rutgers University, is undertaking the development of a master plan for the County Park System. Overpeck Park on Challenger Road is a major park in the County Park System and Rutgers is soliciting your views about the Park System. To participate in this important survey, go online to <http://cues.rutgers.edu/bergen-park-system/>.

In taking this survey, please encourage the County to build the long promised Pedestrian Bridge which will connect the park to the area around the Junior/Senior High School. This bridge is part of the County Settlement which prompted the County to finally build the Ridgefield Park section of the Park, after a 60 year wait! Right now there is no safe way for pedestrians or cyclists to access the park. The only pedestrian access is Emerson Street, which requires, among other things, crossing two (2) Route 95 exit ramps, and walking in an area with no sidewalks. Please encourage the County to proceed with building the bridge now!

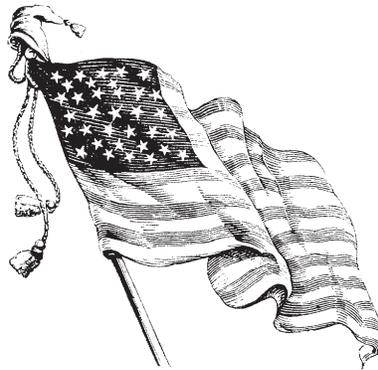

The Commissioners are meeting with the Developers of the Eagles Nest Property (the area between the NJ Turnpike, Route

46, and Overpeck creek) and hope that positive news will be forthcoming shortly. Also, we anticipate similar positive news on the vacant Challenger Road properties. We have been at it for a very long time, but a better national economy has improved the outlook.

In springtime, take time to go for a walk, visit our parks and public facilities. Enjoy the flowers and nature. Rent a kayak or canoe and take a ride on the Overpeck creek.

Participate in the many activities sponsored by local organizations. Welcome new neighbors — be involved!

## MEMORIAL DAY

Sponsored by American Legion Post 40 and Veterans of Foreign Wars Post 277, the Village’s Annual Memorial Day service will be conducted Monday, May 29, 2017, 11:00 a.m. at the monument, Euclid Avenue and Mt. Vernon Street.

Prior to the Veterans Service, the Fire Department will conduct its Memorial Service, Euclid Avenue and Cedar Street, commencing at 9:30 a.m.

All are welcome and encouraged to attend the Memorial Service. As a Community and a Nation, it is our duty to honor and remember those who have served and continue to serve in the defense of our Freedom and Well-Being.

## RIDGEFIELD PARK POLICE DEPARTMENT

### Fundraising Update

The Ridgefield Park Police Department and PBA Local 86 would like to extend our gratitude to all Village residents and businesses who generously donated to our annual fund drive mailing. Please be reminded that PBA Local 86 and the Ridgefield Park Police Department Goodwill are the only organizations connected to our department. ### Juvenile Bureau News

The Ridgefield Park Police Department, in cooperation with the Little Ferry Police Department, will be conducting the 13th annual Junior Police Academy Program. The Junior Police Academy will be a five-day program and will be open to boys and girls who will be completing sixth, seventh or eighth grade in June 2017.

Goals of the program are: to expose Village youths to police work through an enjoyable but disciplined forum; to allow members of the police department to interact with Village juveniles in a positive way; and to reinforce the consequences of negative behavior, violence and substance abuse. The week will consist of physical conditioning, military drill, and various hands-on experiences. There will be guests from federal, state and county law enforcement agencies who will provide demonstrations of their expertise. A one day field trip is also being planned.

The program is tentatively scheduled to run from Monday June 26, 2017 through Friday June 30, 2017. Applicants must be permanent residents of the Village of Ridgefield Park. Twenty five juveniles from Ridgefield Park and twenty-five juveniles from Little Ferry will be chosen to participate in the program. Applications will be accepted on a first-come first-serve basis.

The applications will be distributed through the school system and will also be available at Ridgefield Park Police Headquarters in March 2017. Parents can contact Det. Triano or Det. Martin at police headquarters with any questions or concerns they may have. Please use the following contact information for inquires to the program:

residents to be cautious when dealing with individuals soliciting private information via the telephone or internet. If you are unsure if the call is legitimate, ask for a contact name and information and inform the caller that you will be in touch with them at a later date and time. ## JULY 4th

The Ridgefield Park Fourth of July Citizens Committee's Chairman John Tymon and committee members have begun the preparations for the 123rd Fourth of July Celebration.

Residents and visitors who have enjoyed one of the oldest continuous parade and celebration in the United States, already know how we celebrate the independence of our Country. New residents to the Village, will be amazed at the participation from schools, organizations, scouting, sports associations, and so much more from a Village of 12,000 residents.

**JULY 4TH IN THE VILLAGE IS TRULY AN AMERICAN TRADITION!**

We begin the day's celebration with the reading of the Declaration of Independence at the monument (Euclid/Mt Vernon St) at 7:30am, then the raising of the American Flag and end with the awards ceremony at Brewster Park after the Main Parade. Sights and sounds permeate the day with a cannon blast by the the members of the Gooney Bird Detachment (USMCL) from New Milford NJ, fire trucks, ambulances, marching bands, cheerleaders putting on a show, karate student demonstration, stilt walkers, American flags waving, cars from yesterdays and decorated floats. This patriotic spirit and tradition sets Ridgefield Park apart from so many other communities.

You know July 4th is here when passing motorists early in the morning and sometimes the evening before, see our residents setting out their chairs along the parade route.

After the parades, the residents, their families, neighbors and guests are usually found in someone's backyard enjoying a picnic, a swim, resting or planning next year's July 4th Celebration.

**GRAND MARSHAL**-Chairmen Mercedes and John Haines have posted on the Village website a form to be used to nominate a resident for Grand Marshal of the 123rd Celebration. The June issue of the Village Newsletter will have information about the Grand Marshal or Marshals that was selected. **Please look around your neighborhood, at your club or organization meeting, in your church, at your school, when you are shopping in town, and see who can be honored for their contributions to the Village today, yesterday, or many years ago.**

**HOME AND BUSINESS DECORATING CONTEST**- Chairman, Alice

Brown, requires a registration form for you to enter the contest. They will be available the beginning of June- Out-of-town judges, select the winning homes and business, just before July 4th. Everyone in Ridgefield Park knows the residents go all out to decorate for the holidays and especially for the 4th of July. **YOU HAVE 4 MONTHS TO PREPARE!**

**PROGRAM COVER ART CONTEST**- This year students in grades 1-6th attending Ridgefield Park Schools will be eligible to participate in this contest. The entry is to be original and drawn free handed, not to be computer generated. The 1st Place winner's entry will be on the front cover and the 2nd Place on the inside of back cover.

## HISTORIC PRESERVATION COMMISSION

In an effort to bring community awareness to the rich history of the Village of Ridgefield Park, the Historic Preservation Commission has created a calendar featuring old photographs with a brief history of each photo. This project was made possible through a grant from the Bergen County Division of Cultural & Historic Affairs. These calendars are available at no cost and can be picked up at the Municipal Building, library and local schools. Residents can also email the HPC at: RPHistoricPreservationComm@gmail.com

The mission of the Historic Preservation Commission is to review and oversee changes in the architectural appearance of buildings within the Village's Central Business District; and to assure the appearances of these structures, and the district as a whole, is preserved and enhanced. The Village's Central Business District is roughly along Main Street from Summit Street to the Post Office at Pine Street and along Mount Vernon Street from Herbert Street to near Bergen Avenue. Some side street sections, such as along Spruce Street are also within the district.

Several projects that have been completed can be seen at the corners of Park and Main Streets. Exteriors of these buildings have been redone in keeping with the guidelines set forth when the commission was established. This gateway corner is highly visible and helps to show the pride that our village business owners take in their properties. Work is also being done on the west side of Main Street between Cedar and Mt. Vernon Streets. This work will enhance the lower section of the business district and bring new life to the area. The HPC works year round to help businesses open as quickly as possible while adhering to the guidelines of the commission.

Business and property owners in the business district are required to meet with the HPC whenever ANY changes are made to the exterior of the property, The HPC asks that all business and property owners in the area take pride in the property they occupy. Spring is just around the corner. Please check with the HPC before doing any renovations or painting on your property. Applications can be obtained at the Building Department.

**SHADE TREE NEWS**

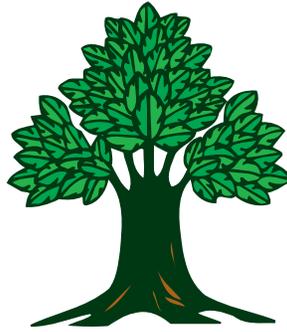

Imagine how bare and bleak our surroundings would be without the canopy of varying sized, shaped trees lining the Village streets. Not only do the trees visually improve our lives but they have positive impact on real estate value, physical health, and utility expenses. The NJ Tree Foundation details findings: Trees "... improve air quality by pulling ozone, particulates, and other pollutants out of the air. They provide shade and cooling in the summer, and slow down street flooding by soaking up storm water. Trees make the area livable and make people want to go outside."

Now ask yourself which is most appealing: A Large asphalt parking lot with no trees or a park with trees? A street lined with only utility poles or a street with the utility poles and trees intermeshed? Waiting on the bus on a hot summer day with no shade or under a shady tree? Most likely, the trees won in each choice!

The Shade Tree Commission strives to keep a healthy tree canopy for Village residents to enjoy. Tree sites with appropriate species for each have been selected with planting planned for spring. Cherry, maples, linden, oak, London plane, are among the species ordered.

**Ground Zero Survival Tree**

Looking for a day trip in the spring?

Visit the Ground Zero Survival Tree. A Callery pear tree which survived the September 11, 2001 attacks stands on the 9/11 Memorial Plaza next to the South Pool. It was discovered in the rubble at Ground Zero severely damaged with snapped roots and burned, broken branches with little chance of recovery. It was removed from the area and replanted in Van Cortland Park's rich soil where it was nursed back to health by the New York City Department of Parks and Recreation. Its dead limbs and tissue were clipped to allow it to heal while regular fertilizing and careful trimming over the years helped its natural shape return. It was returned to Ground Zero 2010; scars are still visible but it has grown over the nine years. It will be blooming early spring.

**Arbor Day**

Plan to attend the annual Arbor Day Celebration on Saturday April 29, 2017, at 9:30 am, at the Ridgefield Park Junior Senior High School. All schools have been invited to create presentations to celebrate trees and these will be on view at the Celebration.

**Sidewalk Safety Program**

The STC has the Sidewalk Safety Program for sidewalks that need lifting or replacing due to Village tree roots. Anyone interested in the program should obtain forms at Town Hall or on the Village website and return the completed forms to the STC to initiate inspection. 34 sidewalks were repaired and/or replaced by SWS in 2016. Currently, there is a short waiting list, but submit your application now because work is done according to the date the application is received.

All reimbursable work **MUST BE PREAPPROVED BY A STC MEMBER** and done by a **STC APPROVED CONTRACTOR**. Property owners will not be reimbursed for work done without preapproval by STC or by a contractor who is not STC approved. Owners are required to pay the contractor and then submit the invoice to the STC for reimbursement.

**Reminders**

According to Village Ordinance 3-79 no one can fasten any sign...garage sale, lost pet, etc...to any Village shade tree.

If there is a concern about a Village tree, contact the STC either, by letter addressed to 234 Main Street; phone 201-641-4950, extension 640; or by attending a meeting. Always provide your name, phone number, and concern along with the address of the tree site. You will be contacted after a STC meeting; the STC meets on the second and fourth Mondays at 7:30 pm in the third floor conference room.

Join STC and help to keep the Village lovely and green.

Members of ANJEC (Association of New Jersey Environmental Commissions) the the NJ DEP will be there to present, provide information and answer questions.

Storm water runoff is an important issue for Ridgefield Park, We are surrounded on 3 sides by water and have a combined storm water and sewer system in part of the village. There will be innovative ideas discussed such as rain gardens and pervious paving materials.

## THEY "JUST SAY IT WITH FLOWERS"

You may have noticed that the planters in the Main Street Business District and in the neighborhood business districts come alive with flowers each Spring and Summer. This is the result of a small group of residents who donate a few hours of their time to keeping Ridgefield Park beautiful. We will be doing the same thing this year. There will be two planting events in the Spring. The first planting event will be on April 8th (Saturday) to plant some early Spring plants which are cold tolerant; and then a second planting on May 20th (Saturday) to plant the flowers which will bloom during the Summer.

The initial place of meeting for the two events will be in front of the Municipal Building at 234 Main Street at 9am on April 8th and May 20th. GARDENING EXPERIENCE IS NOT REQUIRED.

If you would like to help with the Spring Planting, please leave your name, address, telephone number and email address at the Village Clerk's Office (641-4950) or you can contact JOHN ANLIAN at [johndanlian@yahoo.com](mailto:johndanlian@yahoo.com).

## THE RIDGEFIELD PARK VOLUNTEER FIRE DEPARTMENT IS CELEBRATING ITS 125 TH ANNIVERSARY

A long time ago, in December of 1891, while the Village was still getting its identity, there was a house fire on Preston Street. The Village residents banded together to try to put the fire out but to no avail, the fire spread to 2 more houses. All 3 houses were lost to the fire.

After this disastrous fire, 'a group of concerned residents gathered at a general store in the Village. The group of residents' opinion was unanimous to start a fire company.

This was to be the start of Hose Company Number 1, the forerunner of the Ridgefield Park Volunteer Fire Department,

Hose Company Number 1 was officially recognized and incorporated on February 10, 1892.

A few days later, residents in the southern part of the Village met and they formed Friendship Hook and Ladder Company Number 1. Friendship Hook and Ladder Company 1 was officially recognized and incorporated on April 5, 1892.

So, with the formation of these 2 Fire Companies began the birth of the Ridgefield Park Fire Department, **125 years ago, this**

**year. WOW!!!!!! What a milestone for our Department!!!!!!** A Department that is built in deep tradition and dedication to the residents of the Village.

Today, the Ridgefield Park Fire Department consists of 6 fire companies located around the Village. The Department has 4 Engine companies (these companies carry the hoses and water) and 2 Truck or Ladder Companies (these companies carry the ladders). The Department has a modern fleet of apparatus and modern day and specialized equipment to handle the different emergencies in the Village.

The Ridgefield Park Volunteer Fire Department is a group of highly trained and dedicated men and women that proudly serve the Village.

The Department, as part of our anniversary, will be hosting the convention for the N.J. & N.Y. Volunteer Firemen's Association in June. The Department has plans for other activities for this year and as they become finalized, we will let the residents know about them.

Please come and join the Fire Department in celebrating its 125 years of service and dedication to the Village and its residents.

## RIDGEFIELD PARK HAS NEW WEBSITE!

One of the new features of the new village website is Village Events Calendar which will allow village organizations to have their events added.
