

No more leftover paint drop off at the DPW

Whether it is oil base or latex paint, indoor or outdoor, stain for decks and porches there will be no more dropping your unused paint at the Village's DPW Recycling Center – 24 Industrial Avenue.

Paint cans will be accepted in the regular trash pickup-***only*** when the can is empty, contents are ***completely*** dry and the cover is left off.

So where do you go with the leftover paint?

- To a Bergen County Utility Authority (BCUA) Location

See the 2021 collection schedule link below for dates and times:
