WELCOME GUIDE NOW

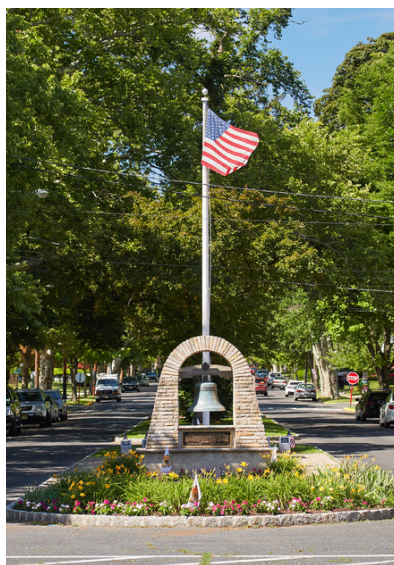

THE REASON BEHIND IT ALL

The purpose of the Welcome Guide is to bring awareness to all the wonderful organizations, events, activities, etc. that make our Village the special place that it is.

Since there are always new initiatives being added, this document is considered a **LIVE** document. For this reason, the most up-to-date version of the Welcome Guide will always be available online. By keeping the document online, this is helping our Village remain sustainable by reducing the amount of paper copies being dispensed to a minimum.

We encourage you to visit the Welcome Guide periodically to see what new items have been added for you to enjoy and participate in.

Hello and Welcome to the Village of Ridgefield Park!

We are so glad you have chosen to be a part of our wonderful Village, and we know you will love all we have to offer.

Let's start with a little history:

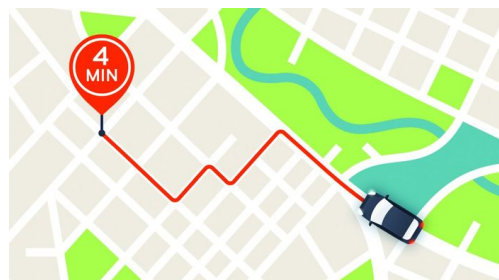

The Village of Ridgefield Park was settled in 1685 and proudly holds the longest continuous Fourth of July parade in New Jersey. The Village is a rich source of American history, and our Public Library is a great place to learn more. Our library is located at 107 Cedar Street. Please stop on by!

Here is our Village's Tercentennial Book:

https://www.ridgefieldpark.org/sites/g/files/vyhlif1121/f/uploads/ridgefield_park_1685-1985.pdf

Our Village's location is amazingly convenient. We have coined ourselves the "Highway Hub," and with good reason. We are only about 10 miles away from NYC, and we have access to many local routes. These include RT 95, RT 46, and RT 80, and we are minutes from RT 17, RT 4, and RT 1&9.

We have a diverse array of restaurants in our Village that range from Mediterranean cuisine, to Asian cuisine, to Spanish cuisine, and so much more! If you have a sweet tooth, we have several locations you can try. We have bakeries famous for their wedding cakes, and then we have bakeries famous for their key lime pies. These are just to name a few!

Please check out the village map included to give you a better glimpse as to what you will find here.

Ridgefield Park Public Schools

Our Village's school system continues to work hard to bring the best educational system to all of our children. We have 3 elementary schools, which are Grant School, Lincoln School, and Roosevelt School along with our Jr. and Sr. High School. As the saying goes, "It takes a Village to Raise a Child," and we take this seriously.

If you are a new member of our community, you might not be aware of the fact that villagers have used the Fund for more than half a century to support students wishing to further their education. No interest is charged on this special student loan, and repayment is only expected after the graduate enters into gainful employment.

The PTA and PTSA's missions are to make every child's potential a reality by engaging and empowering families and communities to advocate for all children.
