

NEXT MEETING: THURSDAY, JANUARY 23, 2014 AT 6:00 P.M.

**MINUTES OF THE HISTORIC PRESERVATION COMMISSION
DECEMBER 19, 2013**

Chairman Robert Olson called the meeting to order at 6:03 p.m., it having been duly noted that this meeting is being held in accordance with the Open Public Meetings Act N.J.S.A. 10:4-6 et seq., notice of which was published in The Record on the 28th day of December 2012, and sent to the Star Ledger on the 28th day of December 2012. Roll call was taken. Members present were: Robert Olson and Jeff Hoffman.

The minutes of the November 21, 2013, meeting could not be approved as there was no quorum..

APPROVAL NOTES: ANY APPROVALS REMAIN SUBJECT TO THE APPLICANT SECURING CONSTRUCTION PERMITS FOR ALL WORK REVIEWED BY THIS COMMISSION. ALL APPROVALS FOR SIGNS ARE SUBJECT TO CONFORMANCE WITH ZONING ORDINANCE AND MUST BE APPROVED AS SUCH BY THE ZONING OFFICER.

IF THERE ARE ANY DEVIATIONS TO WHAT IS APPROVED, ANY AND ALL CHANGES MUST BE PRESENTED TO THE HPC PRIOR TO ANY WORK BEING DONE. THIS INCLUDES ANY CHANGES IN PLANS, MATERIAL, COLORS, ETC., WHICH HAVE BEEN GIVEN FINAL APPROVAL BY THE HPC.

Public Comments (not pertaining to applications): None at this time.

New Business: None has been submitted.

Old Business:

Cosmic Wheel (13-01-01) 194 Main Street. No further information has been received. Donna McEntee did send John Russo photos of the buildings from the 50s and 60s so he could see what the building looked like before. Bob Olson received a phone call from John Russo that he was on his way to the meeting but was stuck in traffic and would not make it in time. Bob Olson told him to drop off the drawings to his office at 65 Railroad Avenue and the HPC would try to help him move along.

Rialto Theatre, (09-07-01) 172 Main Street - The painted wood has been removed over the doors.

(13-08-01) Zoe Beauty Salon 180 Main Street. No one appeared on behalf of this application. The applicant submitted a new rendering. The new sign is black and white, measuring 67" x 30" with wording reading: "Zoe Beauty Salon (on upper half of sign with white background) Relaxer Colors Haircut Highlights Flat Twist Pony Tail Pin Curl Keratine (on bottom half of sign with black background) 182 Telephone 201-779-1479".

The HPC has concerns about the amount of wording on the sign. On Page 22 & 23 of the guidelines, it can be interpreted that minimal wording should be on a sign. The submitted application states that the sign is 8 sq. ft. but it is actually 67" x 30". The HPC does not approve of this sign. The applicant will need to change the sign. A letter was sent to the applicant that he will need to return with a corrected application.

Won Buddhism, 162 Main Street. No further information has been received. The HPC explained that a lot of work had been done without approval and an application needed to be submitted to gain approval.

Riverside Medical Group, (11-09-01) 204-206 Main Street – the former drive-in bank on Mt. Vernon Street and Lincoln Avenue – they called because they wanted to install a chain link fence with sliding gates around the property because people are parking in the lot. They asked if they needed approval for that. Bob Olson advised them that they needed to submit an application and make a presentation at the

meeting. No one appeared at tonight's meeting. Bob also spoke to Mike Landolfi, who advised that he would not allow them to fence the entire property because then it would become a storage area. They can put gates but would still need approval from the HPC prior to any installation. The Zoning Officer must also approve of any work before it is done.

9. Correspondence/Notes/Comments:

- A. Discussion on reviewing guidelines.
- B. Bob Olson will make a list of the historic buildings so that it can be distributed to all members for input
- C. Post Office & Centennial House – the HPC should look into having these designated as historic to maintain the character of this building for the future. The post office building is in need of property maintenance even if it is just painting of the front door. There is a lot of historical significance in this building that has never been changed. The inside mural is beautiful and historically significant. There has been some maintenance being done to this building.
- D. The HPC needs to do an updated walking review of the district. Jeff Hoffman will coordinate this with Donna McEntee.
- E. Gerard Garofalow drew up a draft of fines/violations that was distributed to members for comments before discussing with Commissioner MacNeill.
- F. Mike Landolfi advised Bob Olson that at the January Commissioner's meeting, he is putting through that the HPC be approved to issue its own penalties. The HPC will be issued a summons book.

Open/Outgoing correspondence this month:

1) Memo to be sent to Ed Ballard:

- Signage applied to windows without permits. (RP Bagel, Dante's, CVS, Touch Hair Salon now has ATM signs, taped up window at Jade Lee, Fire Pit Grill now has a lighted open sign as well as a lighted sign depicting food).
- Riverside Medical Group – please visit site and ask them to install the approved lights that **they** requested as an urgent matter. Original approval granted on May 21, 2012. If approved lights are not installed, the HPC requests that a fine be issued.
- 26 Lincoln Avenue (former Limo Business) – the windows have cardboard placed over them and there appears to be activity in this building
- HPC requests a list of fines and violations
- Little Stars Day Care – in need of property maintenance. Orange gate was installed without application. A letter was sent to Little Stars asking them to attend the August 22 meeting to address the gates installed without approval. Response received from Little Stars was that they did not feel a need to attend the meeting as their opinion is that to secure the facility at night is a safety issue that does not need the approval of the HPC. They also feel the safety orange color is required by law. Whether the installation is for safety or not, an application should still come before the HPC. No response received from letter.
- Many of the sidewalks in the Historic District are very dangerous. There are big chunks missing, which make it very dangerous to walk on.
- JJ Best Cleaners – lighted neon sign has been installed in this storefront and additional signs installed without permission. Letter will be sent to businessowner advising that neon lights are not permitted unless they are installed 2 ft. inside the window and additional signs need approval before they can be installed.

2) Email was sent to Drew University asking for recommendations for a grants man experienced in grants for a Main Street (business district). – awaiting response from recommended grants man.
